SPA Sublime Samana’s natural and tropical Coconut Whisper’s spa is a soothing oasis. Relax, rejuvenate and recharge with a menu of rituals, including massages, facials, body wraps and the signature rain massage. At the end of a treatment, guests are treated to fresh, chilled coconut water served straight from the coconut itself to help rehydrate and replenish the body.

SAVOR Whether dining on ceviche or a refreshing lobster wrap at the casual, open-air beachside grill or retreating to the more formal Bistro to enjoy snapper in coconut sauce, meals taken at Sublime always delight and satisfy. The menu, based on fresh local ingredients, changes weekly with a strong emphasis on fish caught daily in Las Terrenas (or right off the hotel’s beach).

SERVICES In room services offered are 24-hour reception and concierge service, in-room spa service upon request, daily housekeeping, laundry service, nightly turndown, room service, BBQ on the roof (for guests in 3-bedroom casita with roof top terrace), in-room breakfast and in suite cooking classes.

POOL Two large main pools connected by two water canals with individual plunge pools.

CHILDREN Children of all ages are allowed.

PLAY The Samaná Peninsula, regarded as one of the prettiest regions on the island of Hispaniola, offers visitors a tropical paradise that still remains unspoiled and the magic of discovery still awaits. Coconut-covered mountains that stretch down to the pristine sandy beaches, crystal-clear water teeming with coral reefs and tropical fish, and awe-inspiring waterfalls descending the lush mountainside define the region and leave much to explore. If you are looking for a place to hold team building activities, integration dynamics, coaching sessions, team work, training or R & R travel incentives, the Samaná Peninsula is the destination. We propose a wide variety of activities to make your event a sure success.

PRIVATE TRANSPORTATION Available to and from El Catey Airport in Samana and Las Americas International Airport in Santo Domingo. Guests using this service will be met at the arrival gate by transfer concierge and escorted to a waiting car.
